

Quality Manager

ID Quantique is looking for a **Quality Manager** to join the Quality department based in the Geneva headquarters. ID Quantique (IDQ) is the world leader in quantum-safe crypto solutions, designed to protect data for the long-term future. IDQ also commercializes a quantum random number generator (QRNG), which is the reference in the security, simulation and gaming industries. Additionally, IDQ is a leading provider of optical instrumentation products, most notably photon counters and related electronics

The **Quality Manager** will mainly be responsible of maintaining compliance of the Quality Management System with the ISO:9001 Standard.

ID Quantique is a rapidly growing company, and the successful candidate will work with international cross-function groups. This position reports to the VP Operations.

Key Functions and Responsibilities:

- ✓ Leads the deployment of the Quality Management System (QMS) and maintain compliance with ISO: 9001:2015 standard.
- ✓ Acts as lead auditor for internal quality audits including audit planning, execution, reporting.
- ✓ Drives continuous improvement of the QMS based on targeted improvement areas identified during customer and internal audits.
- ✓ Initiates and directs quality issue resolution for complaints and nonconformances: root cause analysis and CAPA implementation as required.
- ✓ Implement & maintain quality metrics for business strategy
- ✓ Leads trainings on QMS and provides quality mentoring to all departments
- ✓ Assists procurement in audits and inspections of subcontractors and suppliers to determine compliance with appropriate standards and regulations

Education and Experience:

- ✓ Master's degree in scientific or engineering disciplines strongly preferred.
- ✓ +5 years of proven experience with ISO 9001/AS 9100 compliant QMS
- ✓ Extensive experience in quality tools/methodologies in a manufacturing and design engineering environment.
- ✓ Experience in Product Quality Assurance for Space and Avionics Projects
- ✓ Knowledge of Lean methodology and related tools.
- ✓ Demonstrated excellence in English technical writing
- ✓ Demonstrated capability in coaching personnel
- ✓ Attitude in positive relationships with all levels of the organization.
- ✓ Certified auditor is a plus
